Ramones, Zero Zero UFO

It landed in a field in Idaho Where it came from, I don't know It did not look like it came from Japan And out of the dark walked a strange man

If you think it's a pack of lies, I saw it happen with my own eyes A million miles from the milky way A hundred years, a month, and a day

Zero Zero UFO

(When media writes) the neon lights Spaceship travels at the speed of light A million stars in the sky (I here the Queen's on the alien's side)

If you think it's a pack of lies, I saw it happen with my own eyes A million miles from the milky way A hundred years, a month, and a day Hey!

Zero Zero UFO Hey!
