

Ratt, Chain Reaction

Ah yeah yeah

Wedding rings and pawns
Like the calm before the storm
Ten on the ten scale
When will the sun fail

When you're with me
I just can't breathe
Ooh such a wild time
If there's a way to make you
Turn around come
Hit the ground

Chain reaction
One, two, three
Satisfaction
Guaranteed

That's a chain reaction
Just you and me
The only thing that gets me off
Will bring you to your knees

Like a dog without a bone
Twilight without the sound
Like ships without the sails
RATTs and Abbott tell no tales

When you're with me
I'm out of control
Ooh such a wild time
If there's a way to make you
Turn around and come
Hit the ground

Chain reaction
One, two, three
Satisfaction
Guaranteed

We got a chain reaction
It's you and me
The only thing that turns me on
Will bring you to your knees

Oh!

Chain reaction
One, two, three
Satisfaction
Guaranteed

That's a chain reaction
Just you and me
The only thing that gets me off
Will bring you to your knees

Chain reaction
One, two, three
Satisfaction
Guaranteed

We got a chain reaction

It's you and me
The only thing that turns me on
Will bring you to your knees

Chain reaction
(Chain reaction)
Chain reaction
(Chain reaction)
There's a chain reaction
(Chain reaction)

The only thing that turns me on
Will bring you to your knees, knees, knees

Oh yeah yeah
