Raul Seixas, My Baby Left Me

Yes my baby left me Never said a word Was it something I done Something that she heard?

My baby left me My baby left me My baby even left me Never said a word

Now I stand at my window Wring my hands and cry I hate to lose that woman Hate to say goodbye

You know she left me Yes, she left me My baby even left me Never said a word

Baby, one of these mornings Lord, it wont be long Youll look for me and Baby, and daddy hell be gone

You know you left me You know you left me My baby even left me Never said a word

Now, I stand at my window Wring my hands and moan All I know is that The one I love is gone

My baby left me You know she left me My baby even left me Never said a word
