

Ray LaMontagne, Barfly

Barfly

Just a barfly baby, uh-huh

Barfly

Just a barfly baby, uh-huh

Kiss me before you go

I'm going nowhere lately

Barfly

Just a barfly baby, uh-huh

Barfly

Just a barfly baby, uh-huh

Slow down

Slow down, you move too fast

Slow down

Slow down, you move too fast

Kiss me before you go

I'm going nowhere lately

Kiss me before you go

I'm going nowhere lately

I'm going nowhere

I'm going nowhere

I'm going nowhere

I'm going nowhere

I'm going nowhere
