Ray Price, My Shoes Keep Walking Back To You

My Shoes Keep Walking Back To You I may say that I don't care hold up head up in the air Even tell my friends I'm glad that you don't call But when the day is through my heartaches start anew And that's when I miss you most of all And my arms keep reaching for you my eyes keep searching for you My lips keep calling for you and my shoes keep walking back to you [fiddle] No matter how much I pretend I wish I had you back again For no one else means half as much as you the day you said goodbye My world just seemed to die And I can't forget no matter what I do And my arms keep reaching for you my eyes keep searching for you My lips keep calling for you and my shoes keep walking back to you and my shoes keep walking back to you
