

Reba McEntire, One Good Reason

You said you were out with a friend
Well your friend left her lipstick in your car again
That mark on your neck didn't get there from shaving
I got a feeling you've been misbehaving

Chorus:

So give me one good reason why I should stay
Just one good reason not to walk away
Must be open season on cheating man-a-tease
And why do you do me this way
Just give me one good reason to stay
And I'll stay

You tell me your love is true
Well is that what you tell all the other girls too
You can't tell the truth babe
You're not even trying
I got a feeling you're just alibing

Repeat Chorus x4
