Reba McEntire, Why Not Tonight

(Jon Vezner/David Stringfellow/Nancy Montgomery)

Well pardon me but you have my attention Ever since you strolled into the room Believe me that it's not my intention If I appear to come on too smooth

It's not like me to make such advances But this time baby I could not resist So if you're up for taking a chance on love I can't see a better time than this

So baby why not tonight
This could be the start of something right
Hey you can take it easy
We can take it so slow
We can take it anywhere that you'd like to go
So baby why not tonight
The stars are out and I'm sure they'll agree
Oh it's a perfect night for falling in love
So why not fall in love with me

Oh maybe we could go out for some dinner And later on how we could do the town Ya know I consider myself a winner Just to have a boy like you around

Then if you're up for doing some dancing Yeah I know a place they dance until the dawn Anything you like will be alright So why not take a chance and come along

So baby why not tonight
This could be the start of something right
Hey you can take it easy
We can take it so slow
We can take it anywhere that you'd like to go
So baby why not tonight
The stars are out and I'm sure they'll agree
Oh it's a perfect night for falling in love
So why not fall in love with me
Why not fall in love, why not fall in love, baby why not fall in love with me
