

# Rebecca Black, Saturday

[Intro: Rebecca Black]

Oh my god, I love this song  
This is my jam  
Where is my peanut butter?

[Verse 1: Rebecca Black]

2 PM, getting out of my bed  
Trying to get Friday out of my head  
It's all so hazy  
Got a little too crazy  
You know I'd do it all again

[Bridge 1: Rebecca Black]

Call everyone you know  
Turn up the radio  
Cause this is our song  
We can do no wrong  
Are you ready, are you ready to go?

[Hook: Rebecca Black]

This Saturday we're gonna party all night  
One we will remember the rest of our lives  
This Saturday we're gonna do it bigger than we ever have before  
I don't want this Saturday to end  
I don't want this Saturday to end  
I don't want this Saturday to end

[Interlude]

Dave Days: Hello?

Rebecca Black: Hey, come over

Dave Days: Alright, alright, I'll be right over. I just gotta find my pants

[Verse 2: Dave Days]

Rolling up, I'm on the scene  
Want you here right next to me  
Yeah, cause this is our night  
Ain't got no deadlines  
There's nowhere else I'd rather be

[Bridge 1]

[Hook]

[Bridge 2: Rebecca Black]

Yesterday was Friday, today is Saturday  
We're gonna live like there's no tomorrow  
Wouldn't have it any other way

[Hook]
