

Rebelde, Connected

I'm down-folded on this roller coaster they call life
Keep trying to make it through the next turn,
knuckles white and holdin' tight
So here I go, {So here I go}
I'm takin' a curve
but I know that I'm never alone
I think of you, until you never let me go
I feel connected, protected
It's like you're sitting right with me all the time
You hear me, you're near me,
And everything else's gonna be alright
'Cause nothin' can break this
Nothin' can break this
Nothin' can break this time
Connected
Connected inside
It's not an accident, the time we spent apart
But now we're so close
I can always find you right here in my heart
You given me somethin' I need
And I don't ever want it to end
Because of you, I know I found my strength again
I feel connected, protected
It's like you're sitting right with me all the time
You hear me, you're near me,
And everything else's gonna be alright
'Cause nothin' can break this
Nothin' can break this
Nothin' can break this time
Connected
Connected inside
Everytime that I breathe,
I can feel the energy
Preachin' out, flowin' through
You to me and me to you
Make your dream
Walk or stand
You are everywhere I am
Seperate souls
You to find
in my mind
You given me somethin' I need
And I don't ever want it to end
Because of you, I know I found my strength again
I feel connected, protected
It's like you're sitting right with me all the time
You hear me, you're near me,
And everything else's gonna be alright
Connected, protected
It's like you're sitting right with me all the time
You hear me, you're near me,
And everything else's gonna be alright
'Cause nothin' can break this
Nothin' can break this
Nothin' can break this time
Connected
