

# Rebolt, Lemmy's Heart

I wanna be a rock' n' roller  
You' re the midnight stroller  
But I' m too goddamn cute  
And you' re just as ugly as hell  
I wanna be like you  
But I' ve got nothing to sell  
I wanna be like you  
But I' ve got nothing to sell

But I' ve got your heart, Lemmy!  
I' ve got your heart!  
I' ve got your heart, Lemmy!  
I' ve got your heart  
It goes

I don' t like whiskey  
And I don' t do drugs  
You always seem to smoke  
Drink your liquor from mugs  
I wanna be like you  
But I' ve got nothing to sell  
I wanna be like you  
But I' ve got nothing to sell

But I' ve got your heart, Lemmy!  
I' ve got your heart!  
I' ve got your heart, Lemmy!  
I' ve got your heart  
It goes

SOLO

I' m not your kind of a man  
And I' m not a stud  
You' re older than my father  
And a rock' n' roll god  
I wanna be like you  
But I' ve got nothing to sell  
I wanna be like you  
But I' ve got nothing to sell

But I' ve got your heart, Lemmy!  
I' ve got your heart!  
I' ve got your heart, Lemmy!  
I' ve got your heart

But I' ve got your heart, Lemmy!  
I' ve got your heart!  
I' ve got your heart, Lemmy!  
I' ve got your heart  
It goes
