

# Red Hot Chili Peppers, Here Ever After

I was brave and I love my cuz  
She was wavin' that dope man up  
Banged a mom 'cause I see no future  
Sat her down when I poured that tea  
I don't know 'cause I got big temper  
Stick close to my rainbow side  
Candy corn and that dancing leopard  
That's all folks, that's all

She's the kinda girl who make you want to go faster now  
She's the kinda girl who make you steal your child  
She's the kind of girl, she's in the here ever after now  
There's a cry for help and I don't deny

I don't know, but it's finally just one more mile  
Peaches are sold and all giving up on that Humpty style  
At the Caldwell, cross from black top  
She's Eurasian met her at the Quick Stop  
We danced at Tito's Go Go  
Girlfriend's back now, she's gone solo

She's the kinda girl who make you want to go faster now  
She's the kinda girl who make you steal your child  
She's the kind of girl, she's in the here ever after now  
There's a cry for help and I don't deny

Wet my beak and I give it up to that drugstore nose  
So unique and I live it up till that liquor store close  
In the laundry queen ballistic  
Mangy face with the messed up lipstick  
My thing is blacked out loco  
Smoke and tears, now take my photo

She's the kinda girl who make you want to go faster now  
She's the kinda girl who make you steal your child  
She's the kind of girl, she's in the here ever after now  
There's a cry for help and I don't deny  
I don't deny

Bangin' hard with those daddy issues  
Hanging out with that Chevron dude  
Knocked her out so I let her kiss you  
Redneck fights, I Hercules bit you  
Big box, hoppin' on detox  
Fast food trash when you're livin' in the crosswalk  
Catch me out like motel hoes do  
Blood on fries, now that's my go-to

She's the kinda girl who make you want to go faster now  
She's the kinda girl who make you steal your child  
She's the kind of girl, she's in the here ever after now  
There's a cry for help and I don't deny  
I don't deny
