

Red Hot Chili Peppers, I Know Where I'm Going

I know where I'm goin'
Don't you want to come too
I got my reservations
And I got one for you
The trains leavin' just after dark
There's always room for a lovin' heart
I know where I'm goin'
Don't you wanna come too

I know my destination
It's all waiting for you
I got no hesitation
That's where I want to be
And by the time that the sun comes up
I'll be drinkin' from a lovin' cup
I know where I'm goin'
Don't you want to come too

Don't you wanna come
Don't you wanna ride
Don't you wanna be there by my side
Hand in hand
Holding on to
The sweet salvation
That's waiting for me and you

I know why I'm singin'
Don't you want to sing too
Can't you hear the bells a ringin'
Let the spirit move you

Just close your eyes
And let it flow
Lean your head back, let it go
I know where I'm goin'
Don't you wanna come too

Don't you wanna come
Don't you wanna ride
Don't you wanna be there by my side
Hand in hand
Holding on to
The sweet salvation
That's waiting for me and you

I know where I'm goin'
Don't you wanna come too
I got my reservations
And I got one for you
I know why I'm singin'
Don't you want to sing too
Can't you hear the bells a ringin'
Let the spirit move you
Spirit move you, yeah

I know where I'm going'
Don't you wanna come too
I know where I'm goin'
Don't you wanna come too
