

# Red Hot Chili Peppers, Sikamikanico

Everybody knows about Hollywood skunks  
Soulful sex and funky monks  
My tinsel town is made of steel  
Let's whim, let's shout, let's make a deal!

Hollywood or Hollywood not  
We are so lively on the spot  
Feel so alive, don't know where to stop  
Are you deaf or dumb or what?!

Silly little creature, Sikamikanico  
Sittin on a bleacher, Sikamikanico  
I don't want a teacher, Sikamikanico  
If we're gonna reach ya, Sikamikanico

Don't you know 'bout Frank Sinatra  
That's all gone because I got up  
We don't just play, we display  
Gotta give it up, gotta do it my way

Shootin my sex up to the cave  
You might receive my radio wave  
Shake it girl you won't get hurt  
I knock my dick into the dirt

Silly little creature, Sikamikanico  
Sittin on a bleacher, Sikamikanico  
I don't want a teacher, Sikamikanico  
If we're gonna reach ya, Sikamikanico

Anybody want some, Sikamikanico  
Everybody on the run, Sikamikanico  
Rock it more breeza, Sikamikanico  
If we're gonna treasure, Sikamikanico

Hey, ho, let's go  
Mother fucker, wanna be a jigolo  
Let me demolo how it goes  
Under ho sittin on my big toe  
Hey Joe, a radio chump  
I'll never gonna overcome in Hollywood, I'll come alone  
Oh no, it would now leave my nose that you blow  
Hey ho, let's go

So big boy say you want bad news  
We doubt your mama's been confused  
It's plain to see we rock the groove  
If you don't like it, time to move

And all the press you don't amaze me  
I'm not your dick so don't appraise me  
Never gonna fit your critical shit  
You better watch out, you might get hit

Silly little creature, Sikamikanico  
Sittin on a bleacher, Sikamikanico  
I don't want a teacher, Sikamikanico  
If we're gonna reach ya, Sikamikanico

Anybody want some, Sikamikanico  
Everybody on the run, Sikamikanico  
Rock it more breeza, Sikamikanico  
If we're gonna treasure, Sikamikanico
