

# Red, Hymn for the missing

I tried to walk together  
But the night was growing dark  
Thought you were beside me  
But I reached and you were gone  
Sometimes I hear you calling  
From some lost and distant shore  
I hear you crying softly for the way it was before

Where are you now  
Are you lost  
Will I find you again  
Are you alone  
Are you afraid  
Are you searching for me  
Why did you go I had to stay  
Now I'm reaching for you  
Will you wait, will you wait  
Will I see you again

You took it with you when you left  
These scars are just a trace  
Now it wonders lost and wounded  
This heart that I misplaced

Where are you now  
Are you lost  
Will I find you again  
Are you alone  
Are you afraid  
Are you searching for me  
Why did you go I had to stay  
Now I'm reaching for you  
Will you wait, will you wait  
Will I see you again
