

Red Simpson, Mini-Skirt Minnie

There's a swingin' honky tonk just down the road from me
And there's a swingin' waitress there just as cute as she can be
She sets her pretty sights and her mini skirt just fits as right
They call her mini skirt Minnie from Memphis Tennessee
A mini skirt Minnie from Memphis Tennessee
Puts all the other girls to shame when it comes to look you see
Well I knew from the start she'd won my heart and that's alright with me
Cause I'm in love with the mini skirt Minnie from Memphis Tennessee
(guitar)
When a guy in town is a chasin' sweet Minnie you see
But he don't have a chance cause the Minnie is in love with me
Well I'm a gonna make her my wife and I'll spend to rest of my life
With mini skirt Minnie from Memphis Tennessee
A mini skirt Minnie...
