

# Rednex, The Chase (Single Edit)

The Chase

I, I, I let it come my way

I, I, I let it come my way

One day

Mambway Aa Ee

Yaeaea

Mambwe Aa Ee

Yaeaea

Mambwe Aa Ee

Yaeaea aae00

They come on the prairies

They come on the hills

They come thru the valleys

I I let'em come, come my way

For soil is my ally

For sun is my eye

For I will survive

The Chase

I, I, I let it come my way

I, I, I let it come my way

One day

I run with the river

I fly with the wind

I fight with thunder

I, I let'em come, come my way

They hunt for the daylight

They shoot for the sky

But I will survive

The Chase

I, I, I let it come my way

I, I, I let it come my way

One day

Mambway Aa Ee

Yaeaea

Mambwe Aa Ee

Yaeaea

Mambwe Aa Ee
