

# Reel Big Fish, Hate you

Hey, hey everybody! Look who's on TV, look who just got famous  
don't you know it should have been me...

I'm not really bitter, I'm not really mad, I love to see other people  
get everything I ever wanted to have,

I don't really care, how big they get... I hate you, fuck you  
leave me alone! Why cant I be cool like them?

I used to have a girlfriend, I treated her so bad, she went out and  
found another lead singer, maybe she just likes guys in bands.

I give up on everything, all my dreams are dead, maybe I'll get a  
shotgun, and try to blow her right out of my head... everybody says,  
&quot;How come you ain't made it yet?&quot; I hate you, fuck you, leave me  
alone! Why can't I get my girl back?

I knew you wouldn't understand, just what I'm tryin' to do, cause you're  
not me, and I'm so glad that I am not you...

I know it's my problem, there's nothing I can do, but I don't think  
there is no reason, I don't think there's no excuse for you...

well I've learned my lesson, hope you've learned it to, and if  
they're gonna go and do it to me well I guess I'm gonna have to  
go and do it to you... I don't really care, how much you cry...

IhateyoufuckyouleavemealoneIhateyoufuckyouleavemealone!!!  
why can't anything go my way?
