

Reel Big Fish, Thank You For Not Moshing

when i'm in the pit, i'm gonna punch and kick
when i'm in the pit, don't you know i'm gonna
fuck up shit

got my wife beater on, steel toe doc martins on
my feet yea i run around in a little circle, i'm
wonderin' who to beat and you know it's really
cool, cause i played football in high school, gonna
push some little girls tonight look out fag
there's gonna be a fight

when i'm in the pit...

and you wanna be just like me, i wish i could
be myself and you wanna be just like me, i
can't think of no one else. and you know it's
really great to punch somebody right in the
face gonna push some little girls tonight
look out fag there's gonna be a fight

when i'm in the pit...
