Reggie And The Full Effect, Your Girlfriends Hate

Your boyfriend he likes you but does he really try can he do what I do should you just say good-bye your girlfriends they tell you don't ever trust a guy should you do what they do don't have a reason why it's nothing that I can do (it's nothing, I can do) just write another song for you, so your boyfriend he loves you but never can reply Would he say what I say I wish you'd say good-bye It's nothing that I can do (it's nothing, I can do) just write another song for you, so This is all that I'm saying This is all that I'm saying Your boyfriend he likes you but does he really try can he do what I do should you just say good-bye It's nothing that I can do (it's nothing, I can do) just write another song for you, so this is all that I'm saying (with claps) this is all that I'm saying this is all that I'm saying.
