

Regina Belle, All I Want Is Forever

Ooh...ooh...

Na, na, na, na, oh, oh

(Oh, oh, baby)

(Yeah, yeah, yeah)

Yeah...yeah...yeah...hey...

All I want, all I want is forever

I don't want much from you

Just your love my whole life through

That's all I want, yes, that's all I want

And all I need is to be with you always

I don't need much, you see

Just need eternity

And to be with you, yes, to be with you

Forever

All I want is forever

Am I asking too much

Asking for all your love forever

Oh, all I know is when we're together, baby

Time passes much too fast

And I want to make it last

Last forever more, girl, forever more

And all my life I've been waiting to find, to find you, baby

Now that you're finally here

Ooh, I want you always near

And to share my life, yes, to share my life

Forever

All I want is forever (That's all I want is forever, baby)

Am I asking too much

Asking for all your love

Forever

Won't you give me forever, baby (This time make it last, baby)

I'm not asking for much

Asking for all your love forever

Oh, oh, just say that you will stay for always

And always you'll be mine

At least till the end of time

Forever {Oh, forever, my baby, yeah, yeah}

All I want is forever (Oh, is that what you want) {That's what I
Want}

Am I asking too much

Asking for all your love

Forever (Forever)

Won't you give me forever, baby {All I want is forever, baby, yeah}

(Ooh...ooh...)

I'm not asking too much

Asking for all your love

Forever {Hey...yeah}

All I want is forever (Forever and ever and ever, now baby) {Oh,
Baby}

Am I asking too much

Asking for all your love {I just want forever}

Forever {I just need forever}

All I want is forever (And you know I love you, baby)
Am I asking too much
Asking for all your love forever
