

# Rehab, I Like To Cuss

Muthaf\*\*ka I love to cuss  
Muthaf\*\*ka I love to cuss  
Well, you can lick my ass and you can suck my balls  
Muthaf\*\*ka I love to cuss  
Hey! Muthaf\*\*k you too!  
Muthaf\*\*ka I love to cuss!  
85 more been riding too long  
And I gotta take a shit  
I told my man Brooks  
"Yo, you gotta pull over at the next exit"  
At the Exxon, pull down my pants  
And I sit upon a pissed-on seat  
F\*\*king with my dick, looked up at the wall  
And I had to stop beating my meat  
The wall said ...  
Muthaf\*\*ka I love to cuss  
Muthaf\*\*ka I love to cuss  
Well, you can lick my ass and you can suck my balls  
Muthaf\*\*ka I love to cuss  
Hey! Muthaf\*\*k you too!  
Muthaf\*\*ka I love to cuss!  
Cock to your mouth  
F\*\*k you, f\*\*k the south  
F\*\*k your mom  
Violate your whole daughter pussy-hole  
With some pom-poms  
Still demented  
Freaky like tits being augmented  
Plugging your bitch till her clits dented  
Sticking an erection  
To a cancerous ovarian section  
Genetal warts up in the mid-section  
And now I'm bloody  
Looks like afterbirth mixed with Silly Puddy  
85 more been riding too long  
And I gotta take a shit  
I told my man Brooks  
"Yo, you gotta pull over at the next exit"  
At the Exxon, pull down my pants  
And I sit upon a pissed-on seat  
F\*\*king with my dick, looked up at the wall

Muthaf\*\*ka I love to cuss!  
Ok, looks like Brooks farted on his balls again  
Nurse Crocket!  
We uptake the seratonin  
I'm shot the f\*\*k out  
I puts a part of me, my girls snatch  
And let my poodle eat it out  
"Just let me take you home, I wanna feel you"  
Ok, but first you gotta eat my doo-doo  
Jerking my dick on a school bus  
Everywhere I go they make a fuss  
I guess 'cause  
85 more been riding too long  
And I gotta take a shit  
I told my man Brooks  
"Yo, you gotta pull over at the next exit"

At the Exxon, pull down my pants
