

# Relative Ash, Good Form

I'm leaking but for you I'll close my holes  
self stitching fuck it hurts toilet finds is why  
shush signs mute us out I'm not at peace cuz I  
let her drown but it keeps me warm I spilt in you  
I know I'm wrong but denial dies right here  
what's wrong why don't you share our baby  
but it keeps me warm  
so shallow now you choose but don't show teeth sweet  
grin or steppin' in the monthly wins no I'm not I bled  
strong stains but we will try again and that calms us down  
but it keeps me warm I spilt in you I know I'm wrong but  
denial dies right here what's wrong why don't you  
share our baby  
but it keeps me warm I spilt in you I know I'm wrong  
but denial dies right here if denial dies right here  
what's wrong why don't you bare our baby  
but it keeps me warm  
I played I know I'm wrong but I care  
so get out of my mouth I felt cuz I do give a fuck  
what you're saying  
don't speak for me don't speak at all don't speak for me  
just stand there listening let me tell you  
my blood I'm proud of let me tell you I care  
followed by cut in my gut blood clot sewer twins too  
stressed to swim piss mouth the monthly wins  
I'm just trying to be a hero to my shorty clinics suck  
it up make no victim of  
holding hands planning look far right  
so sick dont go push I'm right  
My third child, I wont bury  
I'll never fail to do her right threw  
good form  
I played and I know I'm wrong but I care  
so get out of my mouth I felt cuz I do give  
a fuck what you're saying  
I played and I know I'm wrong but I care  
so get out of my mouth I felt and I do  
give fuck what you're sayin  
so put your tongue away
