

Relient K, Beaming

Everyone was beaming
Everyone everywhere
And Scotty did lots of the work

And I said beam me up, Scotty
And can I get a cup of coffee
And the internet, it still doesn't work

I said whoa-oh-oh-oh-oh you know we're beaming
I said whoa-oh-oh-oh-oh you know we're beaming
I said whoa-oh-oh-oh-oh you know we're beaming
