

Relient K, Give

No one told me the right way to go about this
So I'll figure it out for myself
Cause how much is too much to give you
Well, I may never know so I'll just give until there's nothing else

Yeah, I'll give give give until there's nothing else
Give my all until it all runs out
Give give and I'll have no regrets
I'll give until there's nothing left
I'll give

No one told me how bad I need you
But I somehow arrived at that conclusion all by myself
And I want all you have to offer
So I'll offer myself and I'll just give until there's nothing else

Sometimes it seems like all I ever do
Is ask for things until I ask too much of you
But that is not the way that I want to live
I need to change, yeah something's gotta give
