

# Reneé Rapp, Snow Angel

First to arrive last to leave  
What's misery without company  
It's hard to laugh when it's hard to breathe  
It's white outside but red underneath

Feel the tip of my nose  
It's burning but it's ice cold

I'll make it through the winter if it kills me  
I can make it faster if I hurry  
I'll angel in the snow until I'm worthy  
But if it kills me I tried  
If it kills me

Smiles hide what secrets keep  
Can't tell a lie if you never speak  
Look in the mirror she looks like me  
But half alive and twice as weak

Feel the tip of my nose  
It's burning but it's ice cold

I'll make it through the winter if it kills me  
I can make it faster if I hurry  
I'll angel in the snow until I'm worthy  
But if it kills me I tried  
If it kills me

I tried so hard  
I came so far  
I met a boy  
He broke my heart

I blame him cuz  
It's easier  
But I still look  
For him in her

The seasons change  
Addictions strange  
I loved back then  
What I hate today

I wish I went  
A different way  
But if I went back  
I would do the same

I'll make it through the winter if it  
But why does it go slower when I  
I'll angel in the snow until I'm worthy  
But if it kills me I tried  
If it kills me I
