

# Reset, Pressure

Everyone is staring  
Down at me again  
Something's lacking  
My friends  
Never let me in  
I feel the pressure  
Pushing me  
It's pushing me again  
I can't take much more  
Not any more,  
Not any more I feel  
That I've been pushed and  
Held again the wall  
No one, knew  
How I felt inside  
I feel, the walls are  
Falling down  
Inside my mind  
I need, some time  
To get away  
Why can't anyone  
Just listen  
Leave me all alone  
How come no one  
Understands me  
Leave me all alone
