

# Revenge, Gravestone

We raise our flag of vengeance  
Our behavior is more insane  
All traitors will have to pay  
You'll burn in hell

Raised out of ashes and crime  
Revenge always in my mind  
I'm a pervert, I'm a fiend  
You don't know me you are blind

Back for Vengeance

Like an evil and terror tale  
You will see my axes shine  
No remorse, you will die

Back for Vengeance
