

Rewona, Myślę, że Szaleję (Going Crazy)

Dlaczego co chwilę dzwonisz do mnie?

I think I going crazy for your love
For now we're going crazy
I think I going crazy for your love
For now we're going crazy
I think I going crazy for your love
For now we're going crazy

Baby girl, come to me
Gdzie?
Let's make this love
Reality
Dlaczego?
Give you everything
You dearly need
Coz there's no place that you'll ever need for love

Know you like those jimmy choos
Shoe look good on you
Ja wiem
Summertime
Fashion line
Prawda
Calling you
Jade

Coz I'm about to make you mine

I think I going crazy for your love
For now we're going crazy
I think I going crazy for your love
For now we're going crazy
I think I going crazy for your love
For now we're going crazy

Think about it
O czym?
Everyday
You and me
Gdzie?
W St Tropez
Anyway you want it
Naprawdę?
That'S THE WAY
Giving it to you
Each and every single day

Know you like those jimmy choos
Shoe look good on you
Ja wiem
Summertime
Fashion line
Prawda
Calling you
Jade

Coz I'm about to make you mine

I think I going crazy for your love
For now we're going crazy
I think I going crazy for your love
For now we're going crazy
I think I going crazy for your love

For now we're going crazy

Weź mnie do
Kraków
Weź mnie do
Warszawa
Weź mnie do
Gdańsk
Weź mnie do
Zakopane

Kiss me there
I'll kiss you back
