

# Rhett Akins, In Your Love

## In Your Love

All of my life I thought I knew the answers,  
until you came along I never questioned why,  
you showed me what it means to love someone forever,  
You're the dream in my heart that's always been there,  
your the window to my soul.

### ~ CHORUS ~

I live,  
I die,  
I'm born I'm sanctified,  
in your love,  
your love,  
I'm home,  
I'm free,  
I found everything I need in your love,  
your love.

Don't know just how or where I'd be without you,  
now that you've become a part of who I am,  
I can feel your touch in everything that I do,  
You're the smile when I cry,  
You're the road when I'm lost,  
You're the breath that gives me life,

### ~ REPEAT CHORUS ~

### ~ BRIDGE ~

I'd do anything for you,  
just to prove my faith,  
In your love.

### ~ REPEAT CHORUS 2 X ~
