

Rhubarb, Do Do Do

You got me feeling like I do
You know you're not me
But you're feeling like me too
And I know you were going to be mine
But I took a little too much time

Do do do do do do

I watch you giving life to someone new
But you see me holding out for something too
And I keep selling wishes to the sky
But they never seem to get that high

Do do do do do do

When i'm seeing black sheep
In wolves clothing
I see it's a lie
I know it's a lie

Help me 'cause i'm tired of living numb
But you leave me keeping face with everyone
And I could let you know that I was wrong
I'm still waiting for the perfect time

Do do do do do do
