

Rhubarb, Exerciser

Don't skate
Don't surf
Don't worry about my turf
I gotta car in the yard
Don't want it to go fast
And I wanna know if I'm coming down with anything
And I've got a hero that I'll follow to the end

I'm an ex (EX) an exerciser
I'm an ex (EX) an exerciser

Don't drink
Don't stink
I change my own bed sheets
I read
I write
I can't stay up at night
And I wanna know if I'm going down with anything
And I've got a hero that I'll follow to the end

I'm an ex (EX) an exerciser
I'm an ex (EX) an exerciser
I'm an ex (EX) an exerciser
I'm an ex (EX) an exerciser

Don't smoke
Hate dope
Don't laugh at dirty jokes
Gotta mum and a dad
Only ones I ever had
And I wanna know if I'm growing old from anything
And I've got a hero that I'll follow to the end

I'm an ex (EX) an exerciser
I'm an ex (EX) an exerciser
I'm an ex (EX) an exerciser
I'm an ex (EX) an exerciser
