Bitch bad Imma bust in her pussy  
Pocket stuff with the cookies  
A model to her to a baby mama  
She was ridin' in a Honda  
I'm walking with the cash Vans beaten  
Fuck up a check calling names  
Bend it over let me see it  
Lot of gold like a pirate  
Pulled it out too excited  
My motorcycle let her ride it  
Bitch I'mma make you my BM  
I might fuck hoe for no reason  
I'm in her pussy it's moist  
She give me neck, in a Rolls Royce  
Hundreds, commas  
I get that check with no problem  
I took your bitch and I dive in her  
All of this ice its a cold winter  
Gotta keep flexin'  
Cum in the face it get messy  
Went down in DM  
Foreign she sucking and up to A.M to P.M  
She got a check and she keepin' away

I suck on her titties like Dracula

My first baby mama she head I'm a star  
I might pass her to a bar  
You don't go no money but you in the mall

In the trap i made a stack  
Drop a 50 with a sack

She sucking my dick like a sour
