

# Rich The Kid, Out The Mud

I got too many rings it's a championship  
I'm in Hollywood boy, I'm finna' break a bitch  
Cut a hunnid' bands on a bad day  
I could put you in the game like 2K  
Most of you niggas ain't loyal  
I bought her new Louis she spoiled  
Then another 150 for the lawyer  
Had to get out mud the money like oil

Most of these niggas ain't loyal  
My diamonds on me that's spoiled  
And 5k for the grill  
Your shit it's looking like foil  
And [?] the drank  
Oh God, made me faint  
I almost broke it I can't think  
And now I run up in the bank  
I roll it like a Ferris wheel  
Oh shit, I'm geeking off the pills  
You run up on me, you get killed  
And you ain't really in the field  
And Rich Forever on the map  
You run up on me, blow you back  
I'm smoking dope I relax  
I'm popping pills I can't relax
