I got issues, I got motherfucking problems  
I got problems, I got rich nigga problems  
Young nigga I came from the bottom  
Now that I'm rich I got problems

These bitches be stalking  
Her friends, I don't cuff 'em  
Red bottoms, I bleed when I'm walking  
These bitches is dirty, my niggas is flirty, my [?] is so muddy  
At the age of 13 I was in and out of juvie  
Now my life is a movie  
You cuffing' and kissing' and giving' her money  
She fucked me, she nothing' but a groupie  
Asking the Lord for forgiveness for sins I committed  
18 I was looking at prison  
Sat in my cell and I pray  
Got to thank God cause he showed me the way  
Fired my lawyer and I beat the case  
Don't want a pic, get the fuck out my face  
My necklace is covered in diamonds my nigga, your bitch want to skate  
King of the trap, it's jumping and booming and bucking, young nigga get money  
I came from a Honda, I ride in a Masi, I'm twenty  
They say I won't make it but now the same bitches are calling my cellular  
Rich nigga I trap out a mansion, I'm walking around like the governor

Walking around with a fifty, Versace like Biggie  
I'm rich, but your pockets are empty  
These bitches calling and stalking young nigga  
The king of my city, two chains but no Tity  
I'm richer than Diddy  
I'm trapping the Hannah and Lizzy  
The lean is killing my kidneys, Monefa she got to stay with me  
I came from the bottom, back then I was starving  
Capping and trapping and robbing  
You can hate me now but I won't stop now  
Young nigga walk round with a touch down  
My mama she told me these niggas they fake  
They plotting, they know that you made it  
I had to stay patient, I waited  
Fuck nigga I'm finally famous  
Flex on my shoes, know my Trues, Diamonds ocean blue  
You taking her out for a dinner and movie, she fucking the crew  
You wife her, you taking lil mama, young nigga she laughing at you  
You fucking that ho no rubber, she a prostitute!
