

Rick Alan Carpenter, Heaven Knows Why

Heaven Knows Why I Love You
Heaven Knows You Don't Care
When The Sun Goes Down You're Not Around
Can't Find You Anywhere
I Never Ask You Where You've Been
'Cause I Know You'd Only Lie
Still Can't Leave You
Heaven Knows Why

Heaven Knows Why You Break My Heart
Heaven Knows You're Cruel
But I'll Be Right Here If You Need Me
Your Faithful Lovesick Fool
I Call You But You Don't Answer
Another Night Crawls By
Still I Wait For You
Heaven Knows Why

There's No Earthly Reason
For Me To Be With You
When It's Plain To See That your Love For Me Is Gone
I'll Try To Find An Answer
Somewhere Up Above
To Tell Me Why My Heart Keeps Hangin' On

Heaven Knows Why I Listen
When You Tell Me I'm To Blame
You Make Me Feel Like I Deserve
The Torment And The Shame
Friends Laugh Behind My Back
I Shake My Head And Sigh
Still I Can't Leave You
Heaven Knows Why
Still I Can't Leave You
Heaven Knows Why
Heaven Knows Why
Heaven Knows Why
Heaven Knows Why
