## Ricky Skaggs, Another Night

The wind is blowin' around my cabin I hate to hear that mournful sound I'm all alone and so downhearted Since my true love ain't around.

I hate to see that sun a-sinkin' Another night to toss and turn Another night to dream about her Another night for her I'll yearn.

She had no cause to go and leave me For I had never done her wrong She left her home and little children Out with another man she's gone.

I hate to see that sun a-sinkin' Another night to toss and turn Another night to dream about her Another night for her I'll yearn.

The children, they are sound a-sleepin' They don't know their mother's gone What will I do when they awaken? Can I tell them of their mother's wrong?

I hate to see that sun a-sinkin' Another night to toss and turn Another night to dream about her Another night for her I'll yearn...
