

Riddlin Kids, It's The End Of The World As We Know It

That's great! I starts with an earthquake;
Birds and snakes, an aeroplane,
And Lenny Bruce is not afraid.
Eye of a hurricane, Listen to yourself churn,
World serves its own needs,
time to shave your own knees.
Feed it off an aux, speak, grunt, no, strength,
The Ladder start to clatter witha fear
Fight down, height.
Wire in a fire representing seven games,
And a government for hire at a combat site;
Left of west and coming in a hurry with the furies
Breathing down you neck.
Team by team reporters, baffled, trumped, tethered, cropped.
Look at that low playing.
Fine, Then.
Uh-oh. Overflow population, common food,
But it'll do to save yourself, serve yourself.
World serves its own needs,
Listen to your heart bleed,
Dummy with a rapture and the revered and the right, right.
You vitriolic, patriotic, slam, fight, bright light,
Feeling pretty psyched.

It's the end of the world as we know it.
It's the end of the world as we know it.
It's the end of the world as we know it and I feel fine.

Six o'clock-- T.V. hour
Don't get caught in foreign towers.
Slash and burn, return.
Listen to yourself churn.
Lock it in, uniforming, book burning, blood letting.
Every motive escalate.
Automotive incinerate.
Light a candle, light a motive.
Step down, step down.
Watch your heel crush, crushed, uh-oh,
This means no fear cavalier, renegade steer clear!
A tournament, a tournament, a tournament of lies!
Offer me solutions, offer me alternatives, and I decline!

It's the end of the world as we know it.
It's the end of the world as we know it.
It's the end of the world as we know it and I feel fine.

The other night I dreamt of knives,
Continental drift divide,
Mountains sit in a line.
LEONARD BERNSTEIN,
Leonid Brezhnev, Lenny Bruce and Lester Bangs.
Birthday party, cheesecake, jelly bean, BOOM!
You symbiotice, patriotic, slam, bug, net, right?
Right.

It's the end of the world as we know it.
It's the end of the world as we know it.
It's the end of the world as we know it and I feel
fine...fine...
