

Righteous Brothers, Soul & Inspiration

Girl I can't let you do this
Let you walk away
Girl how can I live through this
When you are all I wake up for each day, baby
You're my soul and my life's inspiration
You're all I've got to get me by
You're my soul and my life's inspiration
Without you baby, what good am I
I never had much goin'
But at least I have you
How can you walk out knowing
I ain't got nothing left to keep you, baby
You're my soul and my life's inspiration
You're all I've got to get me by
You're my soul and my life's inspiration
Without you baby, what good am I
Oh, what good am I
Baby, I can't make it without you
And I'm telling you, Honey
You're my reason for laughing, for crying
For living, for dying
Baby, baby, I can't make it without you, baby
Please, I'm begging you, baby, baby
If you go, it will kill me, I swear
If I can't live without you
You're my soul and my life's inspiration
You're all I've got to get me by
You're my soul and my life's inspiration
Without you baby, what good am I
What good am I
Oh, baby
You're my soul and my life's inspiration
You're all I've got to get me by
You're my soul and my life's inspiration
You're all I've got to get me by
You're my soul and my life's inspiration
You're all I've got to get me by
You're my soul and my life's inspiration
You're all I've got to get me by
