

Ringo Starr, Cryin'

I tried my best to get things over
Did everything that I could do
I didn't really want to hurt you
But you must have realized that we were though

Now don't it make you feel like cryin'
Watching a good love slowly die?
You and me could spend a lifetime tryin'
But we'd be better off just to simply say goodbye

Just like two fools, we couldn't make it
The movie just went on too long
I've been 'round and you've been through it
But now I know we're getting strong

Now don't it make you feel like cryin'
Watching a good love slowly die?
You and me could spend a lifetime tryin'
But we'd be better off just to simply say goodbye

It's time we burned our old love letters
And started out on a brand new life
No one else can come between us
'Cause I'm not your man, you're not my wife

Still it makes me feel like cryin'
Watching a good love slowly die?
You and me could spend a lifetime tryin'
But we'd be better off just to simply say goodbye

Still it makes me feel like cryin'
But we'd be better off just to simply say goodbye
"(Bye-bye, bye-bye, bye-bye, bye-bye)
(Bye-bye, bye-bye, bye-bye, bye-bye)"
