

Ringo Starr, Lady Gaye

Lady gaye

I know you'll never, ever change your way
There's no one who's been through more than you
And still come through with love to spare
You really care
You lovely lady, you

Lady gaye

You're really no the woman you portray
Well, I don't mean that disrespectfully
For you have always shared your home
With all who've come to love you like I do
To love you like I do

It's time that all you people turned to look
And take a leaf out of this lady's book

Lady gaye

When morning comes, there's nothing left to say
But you have shown me what life's all about
It's time to shout your praises 'round
They'll never knock you down
We love you, Lady Gaye

Well, it's time to shout your praises 'round

They'll never knock you down

We love you, Lady Gaye

We love you, Lady Gaye

We love you, Lady Gaye "(love you)"

We love you, Lady Gaye "(love you)"

We love you, Lady Gaye "(love you)"

We love you, Lady Gaye "(love you)"

"(I love, I love, I love, I love, I love you

I love, I love, I love, I love, I love you

I love, I love, I love, I love, I love you)"
