

# Ringo Starr, Love First, Ask Questions Later

What could I do when I didnt know  
when I was young I was younger  
give me an answer, its yes or no  
how can we wait, any longer.

So baby, dont forget this  
what comes around will go  
maybe youll regret this  
well, maybe never knows.

Love first, ask questions later  
moments pass, they wont wait for the waiter  
no ones ever found the power that is greatest  
so love first, ask questions later.

Nothing but joy in the tears we cry  
nothing but light in around us  
trust in each other as years go by  
no that forever has bound us.

It aint so complicated  
its easy after all  
it cant be overstated  
the writings on the wall.

Love first, ask questions later ...

From all the masters through all time  
theres just one truth we have to find  
my love is yours, your love is mine.

Baby, dont forget this  
what comes around will go  
I promise you wont regret this  
tomorrow never knows.

Love first, ask questions later ...
