

# Ringo Starr, This Be Called A Song

"(Na-na-na, na-na-na  
na-na-na, na-na-na, na-na-na)"

Stand over me, look out for me  
Help me write this song for you  
If you split me, don't you take too long  
Just get thee gone

This be called a song  
This be called a song  
This be called a song  
"(Song)"

Let your umbrella be your friend  
Pitch a tent in your mind for me  
It's all for you  
It's the road that I leave behind  
It's just a sign

This be called a song  
This be called a song  
This be called a song

Na-na-na, na-na-na  
na-na-na, na-na-na, na-na-na  
"(Na-na-na, na-na-na, na-na-na)"

It's getting closer every day  
And we've got to see it through this time  
It's the time to find out if it's true  
What I've said to you

This be called a song  
This be called a song  
This be called a song  
This be called a song

This be called a song "(ooh, ooh, ooh)"  
This be called a song "(ooh, ooh, ooh)"  
This be called a song "(oh, oh, oh)"  
This be called a song "(oh, oh, oh)"

This be called a song
