

# RITUALZ, ALIEN

[Hook]

Spin back, relax hoe  
Something underwater  
Now I'm alone, better  
It's nothing like you even said

[Chorus]

Goth feels in the air  
I be all lone, that's how I live  
You fuck up my head  
Thinking you coming after me  
Goth feels in the air  
I be all lone, that's how I live  
You fuck up my head  
Thinking you coming after me

[Hook]

Spin back, relax hoe  
Something underwater  
Now I'm alone, better  
It's nothing like you even said

[Chorus]

Goth feels in the air  
I be all lone, that's how I live  
You fuck up my head  
Thinking you coming after me  
Goth feels in the air  
I be all lone, that's how I live  
You fuck up my head  
Thinking you coming after me
