

RITUALZ, GHETTO ASS WITCH

[Verse: Gvcci Hvcci]

Ghetto ass witch, I'm a Gucci ass bitch
Don't get me confused with that Asian ass trick
Sacrifice her body and put it in a ditch
I don't give a fuck, I'm rich like 66666

[Chorus: RITUALZ]

Ghetto ass witch, I'm writing rhymes on Ouija boards
Ghetto ass witch, satanic swag and wicked hoes
Ghetto ass witch, I'm ghost-riding blasting drone
Ghetto ass witch, big magic hustling demon dope

[Bridge: Gvcci Hvcci]

Icy with the double cross, I got lines like Katy Moss
Drank too much, I'm fucking tossed
You know how much this outfit cost?
I bleed a lot, anemic, I'm fucking bulimic
White girl problems, I'm your fucking dream, sick

Ritual, Coyote Gang, popping shit like guns, bang
Reblog our shit like insane, our flow makes you say (Oh dang)
Fucking with a pentagram, I'm your sacrificial lamb
Smoke this shit, I got a gram, Gvcci Hvcci, fucking glam

[Chorus: RITUALZ]

Ghetto ass witch, I'm writing rhymes on Ouija boards
Ghetto ass witch, satanic swag and wicked hoes
Ghetto ass witch, I'm ghost-riding blasting drone
Ghetto ass witch, big magic hustling demon dope

[Outro: Gvcci Hvcci & RITUALZ]

Ghetto ass witch, I'm a Gucci ass bitch
Ghetto ass witch, you're a Gucci ass bitch
Ghetto ass witch, I'm a Gucci ass bitch
Ghetto ass witch, you're a Gucci ass bitch

Ghetto ass witch, I'm a Gucci ass bitch
Ghetto ass witch, you're a Gucci ass bitch
Ghetto ass witch, I'm a Gucci ass bitch
Ghetto ass witch, you're a Gucci ass bitch
