

RITUALZ, SAN MARINO

[Verse 1: Unison]

Well-come

To, my

Foun-tain

You came

On, the

Conste-

Me-mo-ries

Spoken

Frozen

Touch my spirit

Hold my spirit

Hold me close

Hold me near

I did, you

On, that, night

Feel-ing

Brea-king

I could never find her

I could

I could never find her

You

Ask the sun

I could never find her

We

Ask

I could never find her

[Verse 2: Unison]

Well-come

To, my

Foun-tain

You came

On, the

Conste-

Me-mo-ries

Spoken

Frozen

Touch my spirit

Hold my spirit

Hold me close

Hold me near

I did, you

I could

I could never find her

You

Ask the sun

I could never find her
