

Road Trip's Over, Go Home

Somebody told me
"You are so dumb
'Cause you don't feel underground"
You don't know me
You're such an asshole
So I'm singing
Go Home!
Somebody told me
"Your life's a trash
And you can't see
You're really dumb"
All in all
It's fucking crazy
So I'm begging
It's so sick, so you better go home!
Go Home!
