

# Robbie Williams, Let Me Entertain You (Extended Version)

Hell is gone and heaven's here  
There's nothing left for you to fear  
Shake your arse come over here  
Now scream  
I'm a burning effigy  
Of everything I used to be  
You're my rock of empathy, my dear

So come on let me entertain you  
Let me entertain you

Life's too short for you to die  
So grab yourself an alibi  
Heaven knows your mother lied  
Mon cher  
Separate your right from wrongs  
Come and sing a different song  
The kettle's on so don't be long  
Mon cher

So come on let me entertain you  
Let me entertain you

Look me up in the yellow pages  
I will be your rock of ages  
You see through fads and your crazy phases yeah  
Little Bo Peep has lost his sheep  
He popped a pill and fell asleep  
The dew is wet but the grass is sweet my dear

Your mind gets burned  
With the habits you've learned  
But we're the generation that's got to be heard  
You're tired of your teachers and your school's a drag  
You're not going to end up like your mum and dad

So come on let me entertain you  
Let me entertain you  
Let me entertain you

He may be good he may be outta sight  
But he can't be here so come around tonight  
Here is the place where the feeling grows  
You gotta get high before you taste the lows  
So come on

Let me entertain you  
Let me entertain you  
So come on let me entertain you  
Let me entertain you

Come on come on come on come on  
Come on come on come on come on  
Come on come on come on come on

Repeat
