

# Robbie Williams, Lovelight

[Lewis Taylor cover]

What am I supposed to do  
To keep from going under  
Now your making holes in my heart and yes it's starting to show  
I've been holding back  
Is it any wonder?  
Since you walked right into my life and interrupted the flow

[CHORUS]

I wanna know  
Baby when you're with me  
Who do you think you're foolin'?  
Making me feel so short  
Turnin' your lovelight down again  
Why don't you let me be  
You don't know what you're doin'  
Making me feel so short  
And turnin' your lovelight down again

Did it again, did it again  
Baby I've got to know  
Are we gonna make it?  
Lay it down right beside me tonight and do whatever you feel  
Baby your in control  
Where you gonna take it?  
Don't you think that I'll do you right you know darn well that I will

[CHORUS]

I wanna know  
Baby when you're with me  
Who do you think you're foolin'?  
Making me feel so short  
Turnin' your lovelight down again  
Why don't you let me be  
You don't know what you're doin'  
Making me feel so short  
And turnin' your lovelight down again

Do it again, do it again  
Do it again, do it again

Baby you turn your lovelight down  
And I don't know, just how long I can stick around  
Gonna need more, and it ain't just physical  
I dunno what I can do, if I've found that  
It ain't love this time around  
Keep turning down your lovelight, did it again [x4]

[CHORUS]

When ever you...  
Baby when you're with me  
Who do you think you're foolin'?  
Making me feel so short  
Turnin' your lovelight down again  
Why don't you let me be  
You don't know what you're doin'  
Making me feel so short  
And turnin' your lovelight down again

[REPEAT AND FADE]
