

Robbie Williams, Sexed Up

Loose lips sunk ships
I'm getting to grips
With what you've said
No it's not in my head
I can't awaken the dead
Day after day
Why don't we talk about it ?
Why do you always doubt
that there can be a better way?
It doesn't make me wanna stay

(Chorus)
Why don't we break up ?
There's nothing left to say
I've got my eyes shut, praying they won't stray
and when I sexed up
That's what makes the difference today
I hope you blow away

You say we're fatally flawed
When I'm easily bored, Is that okay?
Write me off your list
Make this the last kiss
I'll walk away

Why don't we talk about it?
I'm only here
Don't shout it
Given time we'll forget
Let's pretend we never met

(Chorus)

Screw you, I didn't like your taste
Anyway, I chose you
and that's all gone to wasted
It's Saturday, I'll go out and find another you

Chorus:

Why don't we
Why don't we break up
There's nothing left to say
I've got my eyes shut
Praying they won't stray
And we're not sexed up
That's what makes the difference today
