

Robert Plant, Killing The Blues

Leaves were falling, just like embers,
In colors red and gold, they set us on fire
Burning just like moonbeams in our eyes.

[Chorus:]

Somebody said they saw me, swinging the world by the tail
Bouncing over a white cloud, killing the blues.

Now I'm guilty of something...

I hope you never do

Because there is nothing

Any sadder than losing yourself in love.

[Chorus]

And then you've ask me... just to leave you

To set out on my own

And get what I needed.

You want me to find what I've already had.

[Chorus 2x]
